KURTNEY AGULLANO

UI/UX Designer

Emerald St. 94, Palmera Homes II, Taytay, Rizal | +63 969 028 4933 | kurtneyorfianoagullano@gmail.com
Portfolio | LinkedIn | GitHub

UI/UX Designer focused on creating visually compelling, user-centered digital experiences that balance aesthetics and functionality. Combines design skills with front-end knowledge in HTML, CSS, and JavaScript to translate ideas into intuitive and engaging interfaces.

PROJECTS

StudyBuddy AI — Study Platform UI Design

- Designed a multi-page web platform layout for an AI study tool featuring automated tutoring, flashcard generation, and interactive quiz workflows.
- Used ChatGPT and Claude to brainstorm user scenarios, map out edge cases, and craft friendly microcopy that makes AI features approachable.
- Built a flexible Figma design system with reusable components, color tokens, and button states to keep screen transitions consistent.

Augmented Reality Virtual Tour System — Thesis Project

- Designed a responsive web landing page serving as the main entrance for our institution's VR campus tour.
- Created an easy onboarding flow with clear navigation cards, campus highlights, and a simple QR code setup for mobile app downloads.
- Maintained consistent branding and layout across desktop and mobile screens.

Utang Go — Expense Tracker UI Design

- Designed clean, user-friendly layouts for logging daily expenses, tracking transaction history, and viewing budget summaries.
- Structured intuitive charts and clear visual hierarchies so users can understand their spending habits at a glance.
- Organized expense categories and financial information into a cohesive interface for easier navigation and review.

EXPERIENCE

Front-end Developer | ALPHA (Alliance of Leading Programmers) — March 2026 – December 2026

- Created and maintained web pages and UI components for organizational projects, supporting consistent presentation across the website.
- Collaborated with organization officers to implement design requirements and deliver interface updates.
- Refined page layouts and interface elements to improve visual consistency and usability across web pages

Creatives Officer | ALPHA (Alliance of Leading Programmers) — November 2024 – January 2026

- Designed digital assets, event posters, and promotional graphics for student activities.
- Maintained consistent visual branding across organizational campaigns and promotional materials.
- Coordinated with team members to create visuals aligned with event objectives and communication needs.

EDUCATION

Bachelor of Science in Computer Science
STI College Ortigas-Cainta — Cainta, Rizal | Expected Graduation: July 2027

SKILLS
